### Contemporary Romance

Hello, romance lovers, 🥰

I hope you've found a cozy moment for yourself today — even if it's just long enough to escape into a good romance.

If you're in the mood for a story with some delicious forbidden tension, this week's feature is serving it up. We've got a silver-fox billionaire who should know better, a heroine who definitely does, and sparks that start flying the second they step into the same room.

Watching these two try (and fail) to keep things professional is half the fun — and completely irresistible.

Happy reading! 💕

### Pitch Perfect Surprise My Sexy Silver Fox Billionaire Boss

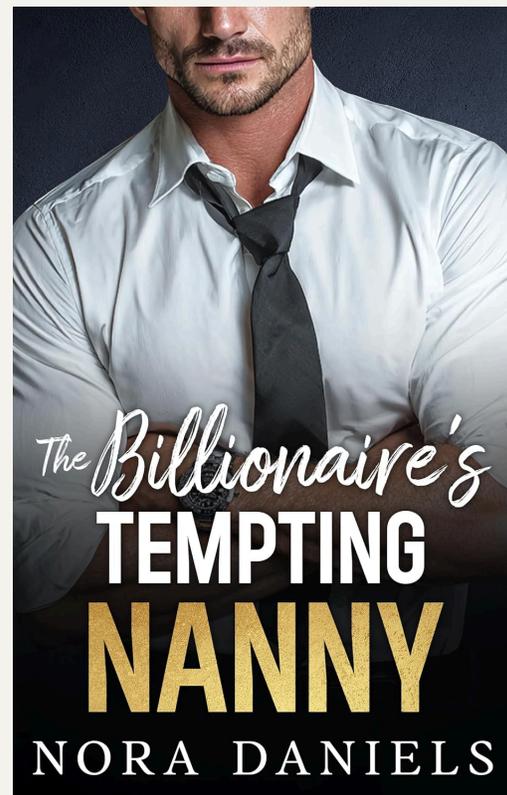

Reece Carter — my dad's best friend, my older, infuriatingly controlled boss — is totally off-limits.

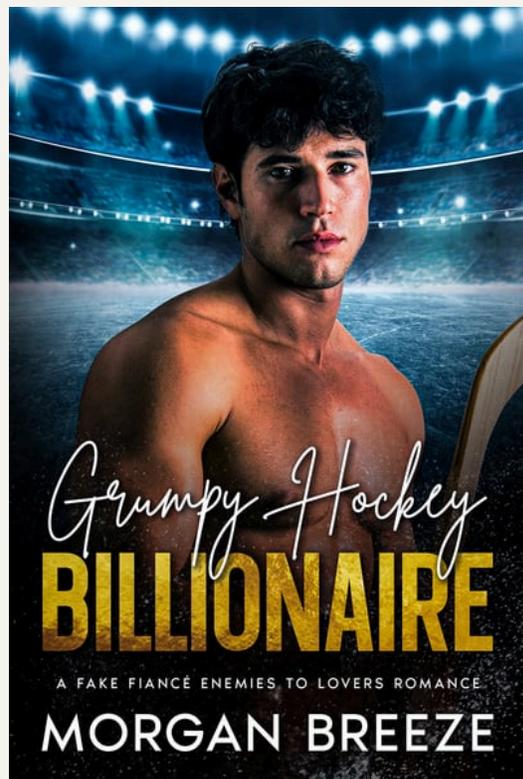

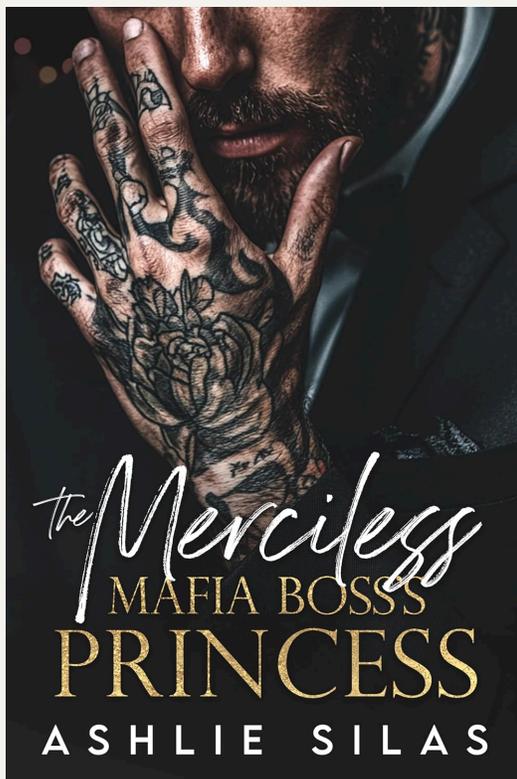

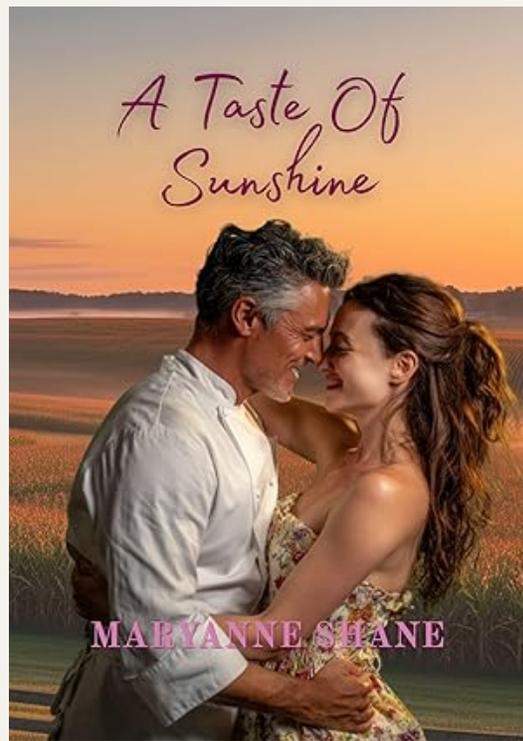

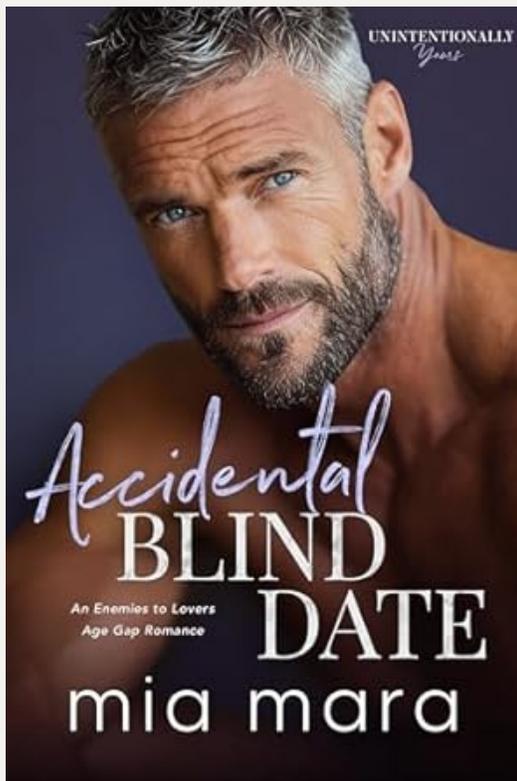

But the way he looks at me now... it's not irritation. It's heat.

Dangerous, pull-me-closer heat.

And now I'm falling for the one man I should never touch — and the one I can't seem to resist. ✨ *See why she can't resist him.*
